Artisan Dedication

Miss Carole M. Grant

This year the senior class dedicates their yearbook, the Artisan, to Miss Carole M. Grant, our beloved teacher in the English department. We would like to thank her for her time, her energies, and most of all, herself with us all.

Alma Mater

To thee our Alma Mater
Our praises bring
In loyalty united
Shall our voices ring
Years shall roll slowly on
We shall spread across the land
But in our hearts we'll cherish
Mem'ries of McCann
Guarded by stately mountains
Steadfast you stand
Lightening out paths with
Knowledge
For the lives we've planned
Strength to fight for the right
Eager hearts and skillful hands
Carry us ever onward
Hail to thee, McCann

e n d u r i n g FREEDOM

Tuesday, September 11, 2001, will be remembered as a tragic day that changed the world. That morning, a plot, masterminded by terrorist Osama bin Laden and the al-Qaeda network, was put into action. Two hijacked commercial airliners were flown into New York City's World Trade Center Towers, ultimately causing their collapse. Immediately following the incident, another hijacked airliner crashed into one side of the Pentagon in Washington, D.C., and a fourth plane crashed in Pennsylvania. Thousands of lives were lost, citizens were terrified and the world was in shock.

Following that mournful day the United States experienced anthrax scares, continued security threats and the reality of war. Despite the horror, fear and heartache, U.S. citizens united and their patriotic spirit soared. President Bush promised: "We will not tire, we will not falter, we will not fail." Through that statement and the remarkable sense of national pride exuded by U.S. citizens, it became evident that no threat, great or small, could deter the United States resolve for enduring freedom.

World leaders, such as Prime Minister of England Tony Blair, profess their sympathy and support for the United States.

Through his courageous leadership, NYC Mayor Rudy Giuliani becomes known as "Mayor of the World" and was knighted by Queen Elizabeth.

In response to the shocking tragedy, President George W. Bush addresses the nation offering strength, comfort and patriotism.

Ailing airlines urge citizens to defy terrorists' attempts to disrupt lives by reboarding airplanes.

Thousands of people world-wide donate blood and volunteer their services to aid U.S. recovery.

An overwhelming spirit of unity and national pride arises out of the smoldering ashes and human devastation from the September 11 attacks on the United States.

america's HEROES

- While attempting to rescue others, 343 firemen and 60 police officers died during the attack on the World Trade Center Towers.

- Passengers Todd Beamer, Tom Burnett, Mark Bingham and Jeremy Glick joined to overcome hijackers aboard Flight 93 that crashed in Pennsylvania. Beamer's final statement "Let's roll," has become a symbolic phrase since then.
